

GEM (GIVES EVERY MONTH) PROGRAM

Our sustaining GEM donors are the pillars of Hospice SLO County's impact. GEM's automatically give a specified amount each month. Our GEM program is a source of reliable financial support that takes minimal administration work. These regular and predictable monthly donations allow the organization to budget, spend less time fundraising, and ultimately save time and money.

Reasons to become a GEM

- A donation every month really adds up – just \$25 a month means a yearly donation of \$300.
- Giving monthly enables you to make an impact all year long.
- When you give monthly the administrative costs for Hospice SLO County are lower – which means more of your donation goes directly to HSLO's In-Home Volunteer programs and Grief Counseling.

"Hospice SLO County has been **Giving Every Month** to our community for decades. It's now my privilege to **Give Every Month** to sustainably support Hospice SLO County".

-Minke WinklerPrins, MD,
GEM and Board Member
