

TILE OF LIFE

You're invited to participate in **Hospice SLO County's Tile of Life** program. Each year, individual ceramic tiles are handcrafted by a local artisan and include the name of a remembered loved one.

These tiles are installed in the wall mural located at **Hospice SLO County's Memorial Tile Garden** and a special ceremony is held for the families and friends remembering their loved ones. The Memorial Tile Garden is available for visitation, reflection, and remembrance at any time.
