STEPHEN JENKINSON

Canadian culture activist and author

'COME OF AGE'

Reading & Reportage

"Elders are a sentinel species for humanness, and like other forms of life in our corner of the world they've mysteriously gone missing. Young people are, often involuntarily, looking for them, and they can't find them. How about this: old people are looking for them too."

Tuesday, June 26th
7-9pm

Hosted by Hospice SLO County

The Monday Club
1815 Monterey Street
