Preregistration is only required for the art workshop, however registration through [American Foundation for Suicide Prevention](http://AmericanFoundationforSuicidePrevention.org) or by contacting Tony Huffaker at (805) 544-2266 greatly helps us with our planning.

Survivor Day Film

The event features a screening of *The Journey: A Story of Healing and Hope*, an AFSP-produced documentary that traces the grief and healing journey that follows a suicide loss through the eyes of a diverse group of loss survivors. The film shows how those left behind navigate the aftermath of their loved one's suicide to find meaning and even joy, and takes an intimate look at how their healing journey evolves over time.
