

Fall 2017 Volunteer Training Hospice SLO County

Call for Volunteers!

No specific skill is needed, no professional background is required, a compassionate heart, a little time and a willingness to have your life changed are the essential traits in a Hospice SLO County volunteer. This year do something great for your community and yourself, connect with and through us. In-Home Volunteers help provide companionship, respite care, transportation, emotional support, practical assistance and comfort to individuals who are coping with a life-limiting illness. Other requirements are open-mindedness, a healthy perspective on grief and loss and sensitivity to others. Commitment is up to four hours per week for a year.

*To Register call our offices at 805-544-2266
