

DEATH CAFE

FIRST THURSDAY OF THE MONTH

4:00 - 5:30 PM

ON ZOOM

Join the conversation... Death Cafes are offered all over the world, providing individuals the opportunity to talk openly about dying and death. These casual gatherings aim to "increase awareness of death while helping people make the most of their (finite) lives."

A Death Cafe is a group-directed discussion of death with no agenda, objectives, or themes. It is a discussion group rather than a grief support or counseling session. We invite community members to join a relaxed, non-judgmental group discussion about topics related to the inevitability of death. There is no intention of leading participants to any particular conclusion, product, or course of action.
