The holidays symbolize a time when friends and family gather in celebration. It can also be a difficult and emotional time for those grieving the loss of a pet. Paws to Remember allows the community to come together to remember our beloved pets.

You are invited to donate and receive a lantern ornament in memory of a beloved pet. Your pet's name will be read at the Paws to Remember ceremony. You are also invited to share a photo of your pet at the ceremony or email an image for the slideshow. With your donation, your Light Up a Life lantern ornament will be mailed to you to keep or for you to send to the family of the pet you are remembering.

To have your pet's name read at the ceremony, scan QR Code,
