

PET PEACE OF MIND PROGRAM

Keeping people and their pets together through hospice care...

It can be difficult to care for a pet when facing a life-limiting illness. We understand the profound impact that pets can have on our physical, emotional and spiritual well-being. This program allows clients to complete their end-of-life journey with the comfort of their pet, without worrying about their pet's needs.

Services may include:

- Practical support
- Feeding
- Exercising
- Grooming
- Transportation

ALL SERVICES ARE PROVIDED FREE OF CHARGE.

Donations always gratefully accepted.
