

Light Up A Life

Join us for the 36th Annual
Light Up A Life
fundraiser to
Celebrate and Honor
your loved ones who are
no longer present,
but certainly not forgotten.

The COVID-19 pandemic has precluded people from saying goodbye to their loved ones and many have not been able to hold funeral services. Hospice SLO County is honored to give the community a precious opportunity to memorialize the lives of someone loved and lost at our Remembrance Ceremony fundraisers. For a \$20 donation your loved one's name will be entered into our Remembrance Book and read at a Remembrance Ceremony. Each ceremony will be streamed live from our downtown SLO historic house and will include music, inspiration, poetry, candle lighting and the reading of names.
